Plaintiff/Respondent

v.

Marco Antonio Caballero-Perez  
Defendant/Petitioner

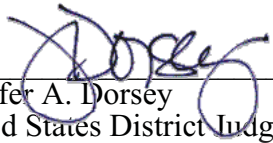

**2:13-cr-00085-JAD-PAL**

**Order Directing Response and Setting  
Briefing Schedule**

Federal prison inmate Marco Antonio Caballero-Perez brings this § 2255 petition to challenge his 2014 federal conviction for distribution of methamphetamine following a jury trial, for which he was sentenced to a mandatory minimum term of 240 months in prison.<sup>1</sup> It does not plainly appear from the face of Caballero-Perez's motion and supporting documents that he is not entitled to relief on any of his claims, especially given the expansive record in this case, which included a jury trial. I therefore order service of Caballero-Perez's petition on respondents and issue a briefing schedule:

IT IS HEREBY ORDERED that respondents must respond to the petition by **May 7, 2017**. If respondents file and serve an answer, they must comply with Rule 5 of the Rules Governing Section 2255 Cases in the United States District Courts. Caballero-Perez will then have 45 days from service of the answer to file a reply. If respondents file a motion, then the briefing schedule in Local Rule 7-2 will apply.

Dated this 7th day of March, 2017.
